MEMORANDUM FOR: Mr. William P. Durkee
Director of Civil Defense
Office of the Secretary of the Army
Washington 25, D. C.

SUBJECT: Soviet Factories Organize Mobile Civil
Defense Detachments

I believe you will be interested in a paper we have just published which summarizes evidence that mobile civil defense detachments are being organized in Soviet factories. You may recall an earlier report which indicated that mobile units were being organized on Soviet state and collective farms. Current Soviet civil defense literature also contains articles on training and exercises for civil defense staffs. All these activities appear to be part of a campaign to bring civil defense units in the USSR to a higher level of operational effectiveness.
